

Resume

Basic Info

Name: Chuibo Chen English Name: Tribble Chen
Mobile Phone: +8615882003904
Email: chenchuibo@gmail.com
University: University of Electronic Science and Technology of China (UESTC)
Address: Qingshuihe Campus, UESTC; No.2006, Xiyuan Ave;
West Hi-Tech Zone, 611731; Chengdu, Sichuan, P.R.China

Education

- 2012.09–2015.06 School of Mathematical Sciences UESTC Master
- 2008.09–2012.06 School of Mathematical Sciences UESTC Bachelor

Work Exp.

1、2013.10 -- 2014.04 Diigo.Inc

I was as an android developer intern in Diigo.inc. I was mainly responsible for developing [Diigo Android](#) version and another app called [CopyBubble](#). Diigo is a tool for collecting and management information cross multi-platform. The features are social bookmarking and making notes on website. After this app released Diigo comes up with competitor and keeps user increasing. CopyBubble is a tool for extending the android system clipboard. It can save the content when user copy and is convenient to reuse. To our surprise, CopyBubble has been downloaded over 10 thousand times after released a weak and it keeps increasing.

2、2011.07 — 2011.09 ikamobile.cn in [Innovation Works](#)

I was responsible for developing the [Hotel Finder](#) android version with team cooperation. This app is used conveniently for finding and ordering from hundreds of thousands of hotels on cellphone. This app serves million subscribers and can be downloaded from many markets.

Awards

Competition:

- 2011.04 The 3rd Prize of Alibaba Group Cup ACM/ICPC Programming Contest
- 2010.05 The 3rd Prize of Mathematical Modeling Contest of UESTC
- 2009.04 The 3rd Prize of 7th UESTC ACM/ICPC Programming Contest

Scholarship:

- 2008–2011 Three times scholarship
- 2012.09 1st -class scholarship for postgraduate

Certificate:

- NCRE Grade 2, 3, 4.
- CET-4, CET-6

Skills

- Proficient in Java; Familiar with C/C++, Object-C.
- Familiar with Android Core Framework.
- Familiar with algorithm and data structure.
- Know with Linux, Able to write Bash shell script.
- Good Mathematical and logical thinking.

Self-evaluation

- Good learning ability, strong curiosity on new things.
- Well collaboration and teamwork.
- Friendly to people, optimistic to life, responsible to work.
